Dear Parents:

February and March can be very rainy months. Keeping students in for recess and lunch play times can have a negative effect on their classroom experience and learning. Please know that I will be sending students out **even if it's raining**. They love to play in the puddles and the fresh air is so important. Packing an extra pair of pants and shirt in your child's backpack is a wonderful idea during these rainy days. Rubber boots and an umbrella are also great accessories!

"Encouraging a child to go outside in all weather builds resilience, but more importantly it saves them from spending their life merely tolerating the "bad" days in favour of a handful of "good" ones - a life of endless expectations &

conditions where happiness hinges on sunshine." Nicolette Sowder.

Reminders for Parents

Please remember that the church parking lot is for pick up/drop off for kindergarten and grade 1 parents only.

School Goals

Writing: Encourage your child to develop their writing skills by modelling how important it is to you. Show them all the ways you use writing in your everyday life: lists, notes, letters, thank you cards or notes. Having your child journal a special event or day also promotes written communication.

Numeracy: Here was our numeracy problem this week. Can you answer it?

Character: Integrity/honesty.
