Dear Parents:

Thank you to the many people who made our Christmas Tea such a success last week. The time spent preparing is incredible but so worth it. At the bottom of this newsletter I have included a list of companies and individuals who contributed to the silent auction. We really appreciate all of your generosity.

The students are excited to present "An Old Fashioned Christmas" to you on Wednesday, December 14. We have shows at 9:00 am, 1:00 pm and 6:00 pm. **You will need your tickets to enter** so please bring them with you! If you do not have your tickets you will need to wait until everyone else is seated first. The tickets will be coming home with the youngest child on Monday, December 12th so be sure to check their agendas for them. We also ask that you do not leave the show until the end. It's very disruptive when people leave after a grade level performs. The gym doors will open at 8:40 am and 12:40 pm for the first two shows, and for the evening show the main front doors will be locked until 5:40 pm. **We ask that you do not arrive before 5:40 pm for the evening performance.** The doors will open at that time and your children can go to their classes and adults head to the gym. After the performance please pick your children up from classrooms. Thanks for your cooperation.

Reminders for Parents

Please be patient with construction that is happening right across the street from our school. Tomorrow and early next week they will be pouring concrete and this will cause some disruption to our traffic and street parking. The site supervisor is doing his best to limit the disruption but it is necessary at times. Some of you may not know, but this house burned down and they are now trying to rebuild and return life to normal.

Just a reminder that our drive-thru lane is for picking up and dropping off children. Please do not leave your vehicle unattended as it blocks cars from flowing through the lot. Thank you for your cooperation.

Learning Commons News

Scholastic Book Fair

Thank you for supporting our Book Fair. The total sales were just over \$7000, and our cash and product reward are \$1710. We will be purchasing new books for the library in the new year. It was also a huge success thanks to our 16 volunteers who made the fair possible.

Read Through The Seasons!

January calendars will be coming home next week. Please keep the calendar in a safe place and start recording in January.

Langley Book Of The Year

Congratulations to Josh S. and Avery G. These students have qualified for the celebration lunch in May.

Reading Link Challenge

Students are encouraged to keep reading over the holidays and ideally students will want to have read all 6 books by the competition in March. We will start meeting in January and all interested students will be bringing home a parent letter and permission form. The books are available from the FVRL's, and soraapp.com (students use their Teams sign in and password). For more information and summaries of the books please visit: www.readinglinkchallenge.ca
